

**Agreement on Scholarly Exchange and Collaboration
between
Faculty of Veterinary Medicine, Mahanakorn University of
Technology, Thailand
and
School of Veterinary Medicine, Kitasato University, Japan**

In recognition of common interests and as an expression of the desire to expand and strengthen the relationship between the two institutions, Faculty of Veterinary Medicine, Mahanakorn University of Technology, Thailand, and School of Veterinary Medicine, Kitasato University, Japan, agree to enter into this agreement.

Mahanakorn University of Technology (hereinafter referred to as "MUT") and Kitasato University (hereinafter referred to as "Kitasato") will endeavor to promote academic exchange activities of mutual benefit as outlined in this agreement.

Academic Exchange

Both parties encourage the exchange of information about education and research. Information should include publications and research materials.

Exchange of Faculty Members

Both parties will explore exchanges of faculty members for the purposes of research, teaching and other scholarly activities.

Exchange of Students

Both parties will explore the exchange of students for long or short study programs.

Effectiveness

This agreement will become effective on the date of signing. This agreement is effective for five years from the date of its signing. Amendments and additions can be made to this agreement. These changes will be subject to agreement by both parties.

This agreement may be terminated by mutual consent. If termination occurs, the programs or exchanges in progress will continue until completed.

Detail of activities will be subjected to further discussion and agreement between both parties. Detailed agreement should be documented.
